

On Sunday (2<sup>nd</sup> April) the annual Triangular Tournament between Omokoroa, Whangamata, and Waihi was held on the Waihi course. On a cracker of a day after some overnight rain the course was in great condition to welcome the 75 players who took part. The average stableford score for each club was calculated to find the trophy winners. In the competition between Whangamata and Omokoroa it was Omokoroa that prevailed, while Waihi came in ahead of Whangamata for the Wai-Whanga shield. Waihi took out the combined overall trophy, as did the Waihi ladies in their competition. A notable score to help the Waihi cause was an outstanding 46 points scored by John Drent.
