Omanu Golf Club

Thank you for providing me with the opportunity to come out and help improve the enjoyment of your golf game.

As a Professional Golf Coach & Player I'm consistently looking for ways to improve and challenge myself. I'm dedicated to providing a top quality service to golfers of all skills levels. It doesn't matter whether it's a golfer just starting out or a player with dreams of earning a living on the tour.

'I always focus on trying to help my clients make the most of whatever they've got'.

No two people are the same in their ability, needs and goals. I love working with people from all walks of life and skill levels. One of the great challenges and rewards of teaching the game is finding ways to help each individual improve their games no matter how talented/skilled they may be.

I always make an effort to try and tailor make coaching programs to suit each individuals golfing aspirations and to make the process of improvement be as enjoyable as possible.

Thank you again for your valuable time.

Coaching Programs

Programmes start with a 3 session programme through to a monthly programmes. Here are some explains of Programmes:

3 SESSION PACKAGE

Great for a beginner/rookie golfer.

3 sessions focussed on develop a sound grip / aim / and setup

- Cover some basic golf psychology
- Can be tailored to work on any specific part of your game (driving, shortgame)

6 SESSION PACKAGE

An extended first session to make time for some goal setting, a body screen and a simple assessment of your current golf game, From there plan out a series of sessions that will achieve what is requested.

Explain: A player wants improvement all round game and reduce handicap by 3 strokes; A couple full swing lessons with the use of video, some shortgame sessions looking at putting/pitching/chipping and Bunker play and then some work on course management and the mental game.

Long Term

Many of my clients even if not at first will fall into this category. As they learn more about the game and find that playing better and more skill full golf is more enjoyable they like to catch-up every now and then and keep improving and fine tuning there skills.

Sit down and write up a long term program of game improvement coving all aspects of the game. If you are serious about learning the game or what it takes to get to that next level this is the way to go!

Standard session rate is \$65 for a session.

Group Sessions / Workshops

This is something that I really enjoy doing and find great for fast and interactive learning. My group sessions now cover everything from the Mental Game to the Long Game.
