Update on POTY points

PREBBLE CUP:

Our team is continuing with their good form in this competition.

The team finally played their third round against Mercury Bay on Sunday 21 September at Whangamata. They won this encounter by 7 matches to 5. Well done to Jethro Meares, Grant Robson and Jesse Jensen for securing two wins on the day.

They now go on to play Ngahinapouri at Hamilton on Sunday 5 October in the semi-finals.

Best of luck for this match.

SOME REMINDERS:

The men's committee have decided there is to be no competition play outside of the allocated haggle times on a Thursday and Saturday. We had some early starters a couple of Saturdays ago who joined the morning haggle. This will not be allowed in future.

The monthly mixed meatpack has risen in price to \$30. This has been done to ensure we maintain the quality of / quantity of the prize table.

Strokeplay final day on Saturday 5 October - there will be a seeded draw for this day with the top four players in each division, after Round 2, will be drawn to play together - they will form part of the afternoon haggle that day.

Men's Committee - have you thought about volunteering some of your time? We are looking for a couple more members for the committee. Chat to Andy Roche if you are keen.

Pace of Play - just a gentle reminder to keep moving whilst out playing your round. There are some suggestions up in the men's changing rooms as to how you can improve on this.

Hitting up on the group in front: we had an instance of this recently. No matter what, there is no excuse for doing this. Be mindful of all who are on the course - keep yourself and others safe.
